Nic, Madison, Bryant,
 Larry and I visited (b) (6) this morning, per yesterday's request. He simply stated that per the advice of his lawyer, he was revoking access for EPA or PPM/Lard at this time. Any future access allowed will be through his lawyer.
 Lard Oil has begun excavating soil on their property with a bobcat behind their compromised fence(in the bend of (b) (6)) and transferring to a roll-off box.
 They are also continuing to pressure-wash houses.
 Thanks, -keith
